[Self Screening Survey](#)

Await a call from the MDH contact tracing team

Contact PiM to report POSITIVE test results.

[Self Screening Survey](#)

- > Quarantine for 14 days after date of last contact
 - > Get tested between days 5 and 10 after contact
 - > Continue to quarantine for 14 days even if test is negative
 - > After 14 days wear a face covering and get tested regularly
- *Household members do not need to stay home unless symptoms begin to appear*

Practice social distancing and good hygiene AND watch for symptoms. Wear a face covering and get tested as needed.
