Dance Students

Below is a list of dance attire and where to purchase it. If you have any dance attire or shoes that no longer fit or you no longer wear, the dance department would gladly take any donations to help support students who have limited means or access to dance supplies. Having the correct attire is important for all dancers to allow the teachers to see body alignment clearly and to reduce injury. It is best practice to have attire at the start of the quarter you are enrolled in. Teachers can be contacted if you have any questions.
