English Language Art

- In addition to pencils, pens, highlighters, notebooks, and pocket folders, students should bring a journal, post-it notes, page markers.
- If financially able, for home study space ranked in order of importance:
  - a mini-white board for their home office or study location;
  - a comfortable office or study chair, beanbag, etc;
  - a mini speaker or set of headphones for music if helpful while they write & read;
  - Fidgets
  - oil diffuser

## Mathematics:

- Students may use calculators in most math classes. A scientific calculator, such as a TI-30XS, will suffice in Intro to Mathematics, and the Integrated Algebra / Geometry sequences. Advanced Algebra and further courses will teach students to use the additional tools available in a Texas Instruments graphing calculator (TI-84) . Cell phone apps will NOT be allowed on tests.
- Set of colored pencils and ¼ inch graphing paper
- A red or purple pen, for marking corrections on assignments
- For Integrated Geometry, students should have the 10-piece math construction set (avoid the \$2.50 protractor and compass set), including a ruler and protractor, available at Target, Office Depot, or through your instructor

## Dance Students

Below is a list of dance attire and where to purchase it. If you have any dance attire or shoes that no longer fit or you no longer wear, the dance department will gladly take any donations to help support students who have limited means or access to dance supplies. Having the correct attire is important for all dancers to allow the teachers to see body alignment clearly and to reduce injury. It is best practice to have attire at the start of the quarter you are enrolled in. Please contact teachers if you have any questions.
