

# **GENERAL ILLNESS GUIDELINES FOR SCHOOL**

---

## **STUDENTS MUST STAY HOME WHEN:**

- They have a fever over 100 degrees Fahrenheit, and until 24 hours fever free without fever reducing medication**
- They are Vomiting and until it has stopped for 24 hours without medication**
- They have Diarrhea and until it has stopped for 24 hours without medication**
- Any undiagnosed skin rash, until we know the cause and that it is not contagious**
- And also any time your student is unable to participate in their education due to illness.**
